

# DÚO ZORONGO

Elisenda Pujals & Teresa Garcia founded the **Dúo Zorongo** as a result of their mutual **interest** and joy for the **Spanish Musical Culture**. At the beginning of the 20th century a group of composers of great **stature** including Lorca, Falla and Rodrigo, was writing music especially inspired by Spanish **folklore**, which due to the history of the country is rich in influences from many different cultures. Zorongo's combination of guitar and voice is **ideal** for this repertoire. The sound quality and distinctive **timbre** of the **guitar** -an instrument ideally suited to represent the Spanish musical culture along with the **voice** -our best means to convey **emotions**, is a beautiful union and a concert with Zorongo is always an electrifying experience of beauty and **dramatic** intensity, both characteristic features of this musical style. Both artists have impressive educations from **prestigious** Conservatories in Spain, The Netherlands and Belgium. Since the founding of the duo the ensemble has played numerous highly successful **concerts** in Spain, Netherlands and Belgium.
